

ELECTRIC MOBILITY

EcoXtrem<sup>®</sup>  
Urban Mobility

# COMPANY PROFILE **ECOXTREM** ELECTRIC VEHICLES

**History** Established in 2010

**Location** Barcelona

**Scale** Cover area of 4000 square meters and more than 20 employees

**Technology** A professional team with more than 10 years experience

**Mission** Develop sustainable means of transport focused on renewable energies and technological development

Our mission is to develop ecological and intelligent means of transport that meet the needs of our users inside and outside cities, focusing on quality, technological innovation and renewable energy.
